Application No. 10/718,614

Docket No.: 615388001US1

REMARKS

The Examiner is thanked for the courtesies to the Applicant and the undersigned extended during an interview on May 10, 2007. During the interview, Applicant discussed various distinctions between the pending claims and the Sheridan and Andera references, and why it would not have been obvious to combine references. Applicant particularly discussed the significance of presenting optotypes "individually and successively," for screening for amblyopia, a particular vision disorder. The Interview Summary accurately reflects the discussion during the interview.

In this Supplemental Amendment, Applicant amends each of the independent claims to emphasize various distinctions over the prior art of record. In view of the above amendment, Applicant believes the pending application is in condition for allowance.

Please charge any deficiency in fees or credit any overpayment to our Deposit Account No. 50-0665, under Order No. 615388001US1 from which the undersigned is authorized to draw.

Dated: June 14, 2007
